

JOB DESCRIPTION

MOLDING OPERATOR

FLSA: Non-Exempt
Shifts: First, Second or Third
Products: Plastic cups and buckets
Location: Shawnee, Kansas
Prepared By: Heather Brannan

Salary Level or Category:
Division: Churchill Container
Department: Injection Molding
Supervisor: Shift Supervisor
Approved By: General Manager

Summary

The employee will be removing parts from an injection molding machine and will prepare them for packaging and labeling. Machine monitoring and quality inspection will also be included within the responsibilities of the position. In the case of absence, another trained Molding Technician will assume duties. The employee will also follow all SQF (Safe Quality Food) rules and procedures pertaining to this job as outlined in the training program.

ESSENTIAL DUTIES AND RESPONSIBILITIES

(Additional duties may also be included as directed by your manager).

- Monitoring the machines to insure continual, efficient production during automatic and semi-automatic mode of operations. Waste of production items must be minimized.
- Before running out of a material at your work center, you must notify your lead-person, floor-person, or supervisor (30-minutes in advance of running out and shutting down).
- Loading and removal of inserts from molded parts and molds.
- Inspecting, degating, grinding runners, removal of flash, cleaning, and the performing of finishing procedures.
- Identify and label boxes, packages, and products as instructed by the shop-order information, your manager, lead-person, or quality control representative.
- Maintaining your work area in a cleaned and organized fashion at all times.
- Report any inefficient or unsafe conditions to management upon discovery of the conditions.
- Complete all paperwork accurately as instructed by your manager.
- Perform all work using safety equipment as instructed while obeying all safety-rules and procedures.
- Must be able to work overtime as scheduled by management.
- Occasionally assist other classifications in the plant and warehouse as needed.
- Fill out and turn in to supervisor all appropriate paperwork pertaining to product inspections and sampling as required by SQF modules 2.2.2, 2.4.8, 2.5.6

SUPERVISORY RESPONSIBILITIES

None
